

## Studland to Old Harry Rocks

**Distance:** 2.6 miles

Mostly off road with a short on road section

### How to get there

### How to get to the start of this route

From Swanage head north and follow the signs for Studland. At the village shop turn right and follow road past farm (on right) continue downhill to public toilets, at sharp left bend continue up the hill for approx 200m past the pub until you come to the National Trust car park on your left. The route is accessible from the Swanage – Bournemouth bus route, visit [www.wdbus.co.uk](http://www.wdbus.co.uk) for more information and the current timetables.

### Before your walk or cycle ride

#### Maps and Directions

You should print this map and route guide and if you are unfamiliar with the local area it is advisable to also carry an Ordnance Survey map (OS Outdoor Leisure 15 for the Isle of Purbeck) which is available from many local book shops and the Tourist Information centre on Shore Road.

#### Food and Drink

You should always carry a supply of water or other drink for your route. Some routes have pub stops marked for mid route refreshments.

#### Route Times

All route times are an estimate based on the time taken for us to walk or cycle the routes. Some of the routes are very hilly and will take longer than a more level route of the same distance.

#### Weather Forecasts

All the routes can be done in the dry or rain but it is best to check the local weather forecast before setting off, we recommend the BBC forecast at <http://www.bbc.co.uk/weather/5day.shtml?id=1194> which covers the area.

#### Special Equipment

Walking and cycling requires very little special equipment apart from some good shoes and a lightweight waterproof top. In summer months you should protect yourself from the sun and you can buy sun protection products in all the local chemists and supermarkets.

**Distance: 2.6 miles**

Mostly off road with a short on road section
